Dear Friends,

I want to let you know about the arrangements being made for the Sunday morning service of the 27th September at 10:30am.

The plan is for this to be a communion service, where we invite people across the whole of our Parishes to come together in groups of no more than 6, from of 2 households, and take part through Zoom.

This will be a unique way of bringing us all together after so much time apart, and also our first communion in many months.

By the end of the coming week, this will have been discussed by all of our Kirk Sessions. If this is approved, then I, your elder or Judy will be in touch regarding arrangements.

Very much looking forward to us being together on the 27th September, and might I ask that you keep the time free in your diaries if possible.

I am now also back full time as your minister, and delighted to be so. There has been a lot happening over the last few months.

Yours in Christ,

Neil

### **ABERFELDY FUNERAL - 09/09/2020**

I am pleased to report that all went well for the funeral of Meg Carmichael. The family have asked me to express their sincere thanks to all those involved in making this possible. A difficult day for everyone involved.

I have also been asked to remind everyone that the building is currently closed except for funerals.

Restricted access has been given to both the Breathe and CAP offices, and the volunteers involved with the Community Larder. These groups are responsible for completing the COVID safety checklist in the kitchen.

The building and car park are strictly off limits on the day of a funeral service.

**NO POPPING IN PLEASE!**

## **VIRTUAL KILTWALK EVENTS for CAP Highland Perthshire**

**CAP HIGHLAND PERTSHIRE** supporters are limbering up to participate in a number of fund-raising events for the CAP Highland Perthshire Debt Centre between 11<sup>th</sup> and 13<sup>th</sup> September.

Will you help us smash our fundraising target?

**Who 's in the Team?** Angela Hanvey, Dorothy Edwards, Elizabeth Stenhouse, Katie Allstaff, Matt Collins, Akosita, Sox and Junior Soqueto and Neil Glover.

**What challenges are they undertaking?** Various – some are walking between 6 - 12 miles locally, others are canoeing on the Tay, climbing Schiehallion or paddleboarding the length of Loch Tay.

**What's their fund-raising target?** Jointly, £2,500 but each team member has set his or her own target. BUT - we're hoping to smash this by a considerable amount and we'd love you to help us do it.

**The brilliant news is that Sir Tom Hunter has pledged to add 50% from the Hunter Foundation to whatever total each team member raises. What a bargain!!**

**How do I help you smash the target?** Click on the link below to choose one of the team members to sponsor.
