Breadalbane Community Larder

For emergency support call **0345 30 111 00** (Mon – Fri 9.00am – 5.00pm) or email breadalbanecommunitylarder@btinternet.com

The Community Larder's Social Supermarket is open at Offizone on Kenmore Street each **Saturday from 11.00am – 12.30pm** for customers to purchase dried and tinned goods at a reduced rate – 4 items for £1.

The FoodShare table at the rear of Aberfeldy Parish Church is open 24/7 and often has a variety of goods which would otherwise be sent to the Co-op's bio-digester. It's our Christian responsibility to 'tend the garden' ie our planet so we can all do our bit to reduce food waste by 'shopping' at the FoodShare table from time to time. Remember, this part of the Larder project is about reducing food waste as well as supporting those feeling the pinch in these difficult times.

If you know of anyone struggling to make ends meet, please let them know about the range of options provided by Breadalbane Community Larder.

The Larder is a joint initiative of several local churches and also involves members of the local community. If you would like to be involved, please contact the team on 07513 652597 or email breadalbanecommunitylarder@btinternet.com

Christians in Sport

I'm emailing to make you aware of some adult networks Christians in Sport launching in towns and cities across the UK; including one in Perth. Below is some information about the networks and I'd really appreciate if you could forward the details to any sports people within the church or, if possible, put a note in your weekly news sheet/email.

What are local networks?

Found in towns and cities across the UK, they are groups of sportspeople who meet to pray for their local sports clubs and teams and then look to reach out with the good news of Jesus. Networks generally meet three times a year to pray and put on events for sportspeople a few times a year.

Why networks?

Relationships are what bring sport to life. Our teammates, training groups, coaches, even opponents are what make sport exciting. Yet we know the greatest relationship, the one that brings true life, is the one offered to us by God through Jesus.

By connecting with one another we can, together, pray for our local clubs and teams and together look to share the good news of Jesus with those we compete with as we seek to serve the local church.

How do I sign up?

You can find all the details on how to sign up to join the network and connect with others passionate about reaching the world of sport for Christ at christiansinsport.org.uk/local

We also have a PPT slide you may wish to include in church notices. Click [here](#) to download it.

If you or anyone else within the church have any further questions please don't hesitate to get in touch using the details below or emailing networks@christiansinsport.org.uk.

Thanks
Rachel

P.S. Could your church join us at The Big Online World Cup Quiz on Monday 12th December? Join us and teams from all over the world and compete in the ultimate
